SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

SECTION 00010 - SOLICITATION CONTRACT FORM

The following have been added by full text:

AMENDMENT 0001**W912DS-05-B-0014****Amendment No. 1**

Bid opening date, is scheduled for 19 August 2005 at 2:00 P.M., local time

1. The following changes shall be made to the specifications.

1) Specifications:**Section 00800**

Revise paragraph 1.32 INSURANCE PROCURED BY CONTRACTOR and replace with the new paragraph as attached below.

Section 00900

Revise wage rates from NY State GENERAL DECISION: **NY20030003** 08/05/2005 NY3 as provided in this amendment below.

Section 00800**1.32 INSURANCE PROCURED BY CONTRACTOR**

At the Government's option, to be exercised in writing no later than 30 days after the contract award, the Contractor shall procure and maintain during the entire period of its performance under this contract the following insurance policies:

A. Contractor shall take out and maintain Commercial General Liability Insurance in limits of not less than \$10,000,000 combined single limit per occurrence, including but not limited to Premises-Operations, Completed Operations, Independent Contractor and explosion, collapse and underground property damage exposures and broad form property damage coverage, including contractual liability (including coverage on or within 50 feet of railroad property, if applicable) covering the obligations assumed under this Contract; and, in addition, Commercial Automobile Liability Insurance covering owned, non-owned and hired autos, in limits of not less than \$5,000,000 combined single limit per accident for Bodily Injury Liability and Property Damage Liability. Moreover, the Commercial General Liability Insurance Policy shall not

contain any exclusions other than those exclusions found in the most recent standard Insurance Services Office (ISO) Commercial General Liability Insurance Policy form or its equivalent.

B. Contractor shall take out and maintain Maritime Protection Indemnity Insurance (that will "pay on behalf of" basis) and Charter Legal Liability, where applicable, relating to the operation, maintenance, or use of any vessel (whether self-propelled or being towed) in connection with work to be performed on the Project, in a limit of liability of not less than \$5,000,000 for any one occurrence, including Masters and members of crews of vessels.

C. Contractor shall take out and maintain Sudden and Accidental Pollution Coverage for Contractor's pollution legal liability, including clean up, with limits of not less than \$10 million per occurrence for bodily injury and property damage liability tailored to the specific exposures as they relate to the Project. The policy shall provide coverage for injury and damage occurring both on or under water and on land. Coverage shall also apply to any injury or damage that occurs while material that has been dredged or otherwise removed during the Project is being transported to a disposal site.

D. Such pollution coverage policy and any certificate of insurance submitted hereunder in relation to such policy shall (i) be expressly endorsed for each Federal channel where work of the Project will be performed hereunder and each transfer location, travel route and material disposition location selected by Contractor, (ii) state that claims disputes and coverage shall be litigated in United States courts having jurisdiction and not be limited to arbitration and (iii) acknowledge disclosure to the insurance carrier that any materials remaining in the pipelines being removed pursuant to the Corp's option or in the sediments in the vicinity thereof may be considered hazardous substances/wastes under applicable law including, but not limited to, RCRA and/or CERCLA and/or the Toxic Substances Control Act (TSCA). It should be noted on the policy and on the certificate of insurance that the substances may be considered "hazardous" under CERCLA, but not necessarily "hazardous" under RCRA and that such materials if RCRA "hazardous" would require a manifest and disposal under RCRA at a Subtitle C hazardous waste disposal facility. A copy of this Contract, including all schedules and documents attached hereto, shall be provided to the insurance carrier before the start of any work.

E. The policies described in A, B, and C above shall be endorsed to include the Port Authority of New York and New Jersey (the "Port Authority") as additional insured and shall contain a provision that the policies may not be cancelled, terminated or modified without thirty days (30) written notice to the Contracting Officer, US Army Corps of Engineers, 26 Federal Plaza, New York, New York 10278-0090 and the General Manager, Risk Management/Treasury, 225 Park Avenue South, 12th Floor, New York, NY 10003. Moreover, the Commercial General Liability policy shall not contain any provisions for exclusions from liability other than provisions for exclusions from liability forming part of the standard, basic unamended and unendorsed commercial general liability policy. The policies described in A, B, and C above shall also include cross-liability coverage and that must be stated on the certificate (s) of insurance.

F. Further, the liability policies shall be specifically endorsed as indicated herein, and the certificate (s) of insurance shall contain the following language:

The insurer shall not, without obtaining the express advance written permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the Tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

G. Contractor shall take out and maintain Workers' Compensation Insurance and Employers' Liability Insurance (including other states coverage) in accordance with the requirements of law. The policy shall include the United States Longshore and Harbor Workers Compensation Act Endorsement. If Contractor's work is on or within 50 feet of railroad property, Contractor shall have the Workers Compensation policy endorsed to include amendments to coverage B-Federal Employers' Liability Act in limits of not less than \$1,000,000.

H. In the event the Government exercises the option provided for in this section, within five (5) days after the option is exercised, Contractor shall deliver to the General Manager, Risk Management and the Contracting Officer, at the above addresses, a certificate (in duplicate) evidencing the policies above, and stating the contract number. Upon request of the General Manager, Risk Management or the Contracting Officer, Contractor shall furnish a certified copy of each policy. The certificate(s) of insurance shall also be specifically endorsed with the provisions required in this Section. The policies and the certificate of insurance evidencing required insurance shall contain an endorsement to the effect that cancellation or any material change in the policies adversely affecting the interests of the Port Authority in such insurance shall not be effective for such a period as may be prescribed by the laws of the State in which this contract is to be performed and in no event less than thirty (30) days after written notice thereof to the Contracting Officer and the Port Authority.

I. The requirements of this numbered section are not in any way a limitation on the nature or extent of Contractor's obligations under the section hereof entitled "Indemnity/Risks Assumed".

J. If at any time any of the above required liability insurance policies should be canceled, terminated, reduced or adversely modified so that insurance is not in effect as above required, then, if the Contracting Officer shall so direct, Contractor shall suspend performance of the Project. If the Project is so suspended, no extension of time to complete shall be due on account thereof.

K. The Contractor and subcontractors shall comply with all obligations as insureds under or in connection with the above policy.

Payment items for insurance premium procured by the Contractor under this paragraph shall be for actual expenses at a price not to exceed the maximum listed in the Price/Bid schedule, optional Item No. 0002 (or CLIN 0002), Additional Cost for Optional Insurance, if the optional item is awarded as substantiated by the information provided by the Contractors insurance carrier.

Contractor shall submit the following items to the government for payment and verification and only the actual amount will be reimbursed:

- 1-Insurance Policies.
- 2-Certification of insurance.
- 3-Proof of payments.

Payment for the insurance procured by the Contractor under this paragraph shall be in lump sum, "Additional Cost for Optional Insurance", if the optional item is awarded. (see notes in Bidding Schedule).

Section 00900

Revise wage rates from NY State GENERAL DECISION: **NY20030003** 08/05/2005 NY3 as provided in this amendment.

GENERAL DECISION: **NY20030003** 08/05/2005 NY3

Date: August 5, 2005 sg 8/5/05

General Decision Number: **NY20030003** 08/05/2005

Superseded General Decision Number: NY020003

State: New York

Construction Types: Building, Heavy, Highway and Residential

Counties: Bronx, Kings, New York, Queens and Richmond

Counties in New York.

BUILDING & RESIDENTIAL CONSTRUCTION PROJECTS (includes single family homes and apartments up to and including 4 stories),

HEAVY AND HIGHWAY CONSTRUCTION PROJECTS

GROUP 7: Roll-off truck with more than 42 yard capacity or any tractor trailer trucks

GROUP 8: One-container tractor hoist on construction and alteration debris removal

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.
=====

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

In the listing above, the "SU" designation means that rates listed under the identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the

Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
